Présentation of New-York

New York is the most popular city in USA. It is at 5800km from Paris.

The nickname of this beautiful city is Big Apple, it's referred to New York Horse racing.

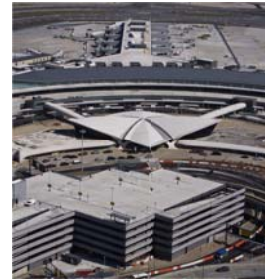

This city was built around a bay. When we walk down in the fifth avenue, we can see some her monuments.

New York is situated in America in the New-York's State.

Information about the trip

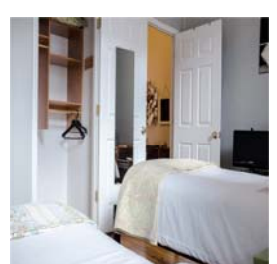

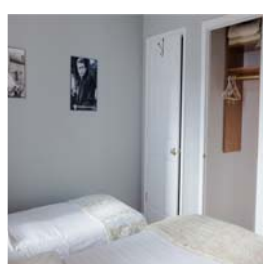

Travel tips
Don't forget :

- passport
- airline ticket
- travel documents
- charger to communicate with france and universal adapter
- money
- aid kit, drug il you need and solar cream

Arrival at the airport :

You will take the train from Brest to Paris (4 hours) and next, you will take the plane to New-york (6 hours). When you land at the international John F. Kennedy's airport. I will be here to welcome you !

The hotel :

Then, I will drive you to the hotel which is called « Chez Michelle ». The address is 118 West 130th Street, Harlem.

I have chosen this guest house because "Chez Michelle" is at 20-minutes subway ride to Times Square and at 20-minute walk to Central Park. In this lively area, there are many restaurants, supermarkets, and many shops and boutiques.

For most information, you can consult her site :

<http://chezmichellenyc.com/> or contact her via her mailbox : chezmichellenyc@gmail.com .

P.S. : You can speak with her in french because she is bilingual ! *There are so many things to see and do in New-York. You will only be able to discover some of the must-see.*

First day :

You can go to Central Park for a morning walk.

Next, you will visit the famous National History Museum and see the biggest dinasore of you have ever seen !

After that, you can go to Broadway to see a gorgeous show : « The King Lion ». I recommend to you because it's justly magic !

Second day :

visit Ellis Island and Miss Liberty.

Do you know the story of Ellis Island ?

It was an immigration center from 1892 to 1954. More than 12 million immigrants went through this building. Today, it's the Museum of immigration. Ellis Island is a place to visit absolutely because it's the most important moment of the history of

USA.

Then, you'll be able to cross the Brooklyn Bridge. It is the oldest bridge of USA. The beginning of the construction is in 1870 and the inauguration in 1883. The architect is John Augustus Roebling (1806-1869) but

unfortunately, he is dead during this construction. So, his son, Washington Augustus Roebling has continued the works. The history neo-gothic monument is crossed the East-River, between

Manhattan and Brooklyn. Its particularity is that it is suspended. It has two floors, one for cars, and one for pedestrians.

A film took place on this bridge, it's called justly «Brooklyn Bridge» and Daniel Radcliff, the actor of Harry Potter, has played in this.

The bonus : the Brooklyn Bridge is the perfect place to take the most beautiful pictures you've ever taken !

Third day :

The last day, you could go shopping (must : go to the Apple Store, it's really impressive !).

You must visit the Empire State Building ! It was the tallest building in the world. It has a gorgeous view at the top ! The observation

deck is the most popular in the world. More than one hundred and ten million visitors have already come to it's top !
